Control Box²
Ref. SB124T-2

ANALOG WAY®
Pioneer in Analog, Leader in Digital
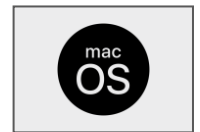

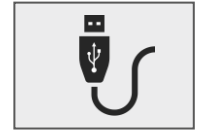

Compact solution to easily control your live events with the LiveCore™ series

Manage your multi-screen production with ease

The Control Box² is an ergonomic and compact solution designed to operate your LiveCore™ series remotely with ease and comfort. Thanks to the 99 physical key buttons, Control Box² gives instant access to the presets and embeds a T-Bar for smooth manual transitions. Its illuminated keys are designed for fault-free operation, allowing users to focus on the action and not the user interface.

Key features

▶ Load instantly any kind of preset
▶ Change PIP source (live input, still image or color)
▶ Change native background
▶ Manual transition (T-bar), immediate (CUT) or programmed (TAKE)
▶ Select current destination (Preview or Program)
▶ Select current screen destination(s)
▶ Freeze/unfreeze live inputs

Control Box² at a glance

▶ Heavy-duty extruded aluminum case
▶ 99 function-labeled keys
